## "Tree Plantation"

Tree plantation drive was held by our college "Annasaheb Dange College of Engineering and Technology". The main aim of this programme was to spread and create awareness to protect the environment from degrading. The programme was started with influence speech from Mr. Dange Sir based on importance of trees in our life. Based on their instruction we were taken to Malewadi for tree planation.

We had planted various types of trees. As per instructions given from teachers we started our programme in group of students. As located for tree plantation was so wide that it was not possible to plant trees individually so to cover so distance we first passed trees in chain of students at the location since when all plants put at their places, teacher and staff given instructions about how to plant them. Following their instructions we have planted nearly 2500 plants in one day.

Students were highly enthusiastic towards this activity. In order to restore eco-balance of afforestation drive was taken with all seriousness. Almost 300 Students participated in this activity from ADCET, Ashta.

Programme was appreciated by representatives. At the end of programme there was photo session with teaches and student.

## "Cleanliness Program at ADCET Campus"

### On Occasion of Birth Anniversary of Mahatma Gandhiji

A 'Make your college and city Clean and Green' campaign was organized in our college. This program was held in accordance with nation-wide 'Swachh Bharat Campaign' on the occasion of "Gandhi Jayanti" 2<sup>nd</sup> October 2019. Mahatma Gandhi taught us how to live for the country. They broke the chains of the slavery and freed mother India. So as a tribute to their work we started our campaign. Cleanliness is our moral duty and a fundamental responsibility of an Indian citizen. It is necessary for all individuals to take part in their country's progress. Cleaning our home and environment gives us a sense of accomplishment and satisfaction. Cleanliness is a regular practice that prevents the spread of disease causing organisms.

Every parent should educate their children with good cleanliness habits and they should be properly trained at early age. Student started campaign from their respective classes. The students and volunteers along with entire team, launched cleanliness drive. The main purpose of this programme was to create awareness among the students regarding cleanliness and its benefits under this programme, all students from SY to BE participated along with Teachers.

Our Teachers started programme by cleaning the dust on stairs. Then students and volunteers followed suit some of us picked brooms and started our job. Some students started picking wrappers scattered on grounds and roads. After collecting them they threw them into dustbins.
