## "Tree Plantation"

Tree plantation drive was held by our college "Annasaheb Dange College of Engineering and Technology". The main aim of this programme was to spread and create awareness to protect the environment from degrading. The programme was started with influence speech from Mr. Amol Dange, NSS head of the Institute.

Students were highly enthusiastic towards this activity along with some non-teaching and teaching members. In order to restore eco-balance of afforestation drive was taken with all seriousness. Almost 30 Students participated in this activity from ADCET, Ashta even though there was the pandemic situation. A total of 195 trees were planted at Malewadi village near ADCET.

The program was appreciated by the representatives and at the end of program there was photo session with teachers and students.

## Report Plastic Waste Disposal Awareness Program

As a part of Azadi ka Amrut Mahotsav, under National Service Scheme (NSS), and in association with Ashta Nagarpalika and department of civil engineering, an awareness program was conducted on plastic waste disposal on 28<sup>th</sup> February, 2022. As such, a small documentary on the ill effects of plastics was prepared by the students on the occasion of National Science Day. This documentary was played / broadcasted in various parts of Ashta town & nearby schools. The main motto of this broad cast was making the citizens of Ashta aware about the plastic pollution & possible ways to reduce the use of single use plastics. For making the campaign more effective the documentary was made in local language. The students of third year Civil engineering participated in this campaign. The created documentary was uploaded on Youtube & the link was also shared in public domain for wide spread.
